

## What is VenturePalooza?

VenturePalooza [Venture like Venturing, but it's an *adventure*, plus pa-looza. Not to be confused with VenturingPalooza, **which doesn't exist!**] is a annual council- wide Venturing event that is unique to Mount Baker Council. There are tons of fun activities that Venturers from all around the council participate in. Every year is different, but traditionally, there's always high adventure activities, like rock climbing and canoeing; an "Ultimate Game," and lots of fellowship.

This year the council will be celebrating the 10th anniversary of Venturing at VenturePalooza.

VenturePalooza gener-  
ously hosted by Camp  
Black Mountain.  
Thanks Ox!

## “I’ve already been to VenturePalooza. What makes this year any dif- ferent than the last few?”

This year we have a more experi-  
enced planning team working on it;  
this year we plan on having a lot bet-  
**ter, more creative program that’s a**  
lot more organized. There will be a  
lot of really awesome changes, that  
will make this the best VenturePa-  
looza yet.

A sneak peak: *really* good food, a  
schedule, slip and slide, rock climb-  
ing, a chocolate fountain, and tons of  
new, exciting activities.

## What should I bring?

Bring everything that  
you would for a camping  
trip— tent, sleeping bag,  
personal items, lots of  
extra pairs of comfort-  
able clothes that you can  
get dirty, and your creativity!
