

How to Become a Trained Leader Mount Baker Council Training Schedule September 2009 to July 2010

Updated 5/30/09

The Scouts in your unit deserve the best possible program you can provide them. Adult Leader Training courses provide you with the information you need to be an effective leader. Following are the steps that will allow you to become a "Trained" leader. We ask that you register for training courses well in advance so that we can have adequate staff and training materials for you.

There are fees for specific courses. Registrations received less than 1 week prior to course will cost more. To register by phone call the Everett Service Center at the number provided above.

Step 1: Fast Start Training

Fast Start training is the first step for any new volunteer and is to be taken immediately after a new leader registers. Fast Start is a self-paced course, either web-based or VCR tape, specific to your branch of Scouting. You will find links to Web training at <http://www.mountbakerbsa.org/training>. There are also VCR tapes in both council service centers.

Step 2: Youth Protection Training – ONLINE through <http://mountbakerbsa.org>

Youth Protection training is designed to help you keep our youth safe from abuse. You will learn the Boy Scouts of America's Youth Protection Guidelines, signs of abuse, and how to report suspected abuse. After each section of material, you will answer questions about that section's topic. This course must be completed to earn the "Trained" emblem. Completion is noted automatically in the BSA training records database if the module is experienced online. Estimated time to complete online course: 40 minutes.

- **Venturing Youth Protection Training**

This course is required for Venturing leaders who have direct contact with youth. This training will help leaders understand and guide youth through possible problems as it relates to abuse. You will also learn about the issues you may face as a leader to help provide a safer environment for the crew members and to protect yourself from false accusations. This training is available online or on a DVD. Estimated time to complete: 40 minutes. NOTE: This training is incorporated into Venturing Leader Specific Training. If you have completed Venturing Leader Specific Training you have completed Venturing Youth Protection Training.

Step 3: This is Scouting – ALSO ONLINE

This is Scouting is an introductory session that highlights the values, aims, history, funding, and methods of Scouting. Cub Scout, Boy Scout, Varsity Scout, and Venturing leaders all take the same course. Leaders who have already completed Step 3 are still required to complete this step to be considered trained. This course is available online at <http://mountbakerbsa.org>.
